

ENGLISH AND CULTURE COURSE

WELCOME TO CANTERBURY

LOCATION

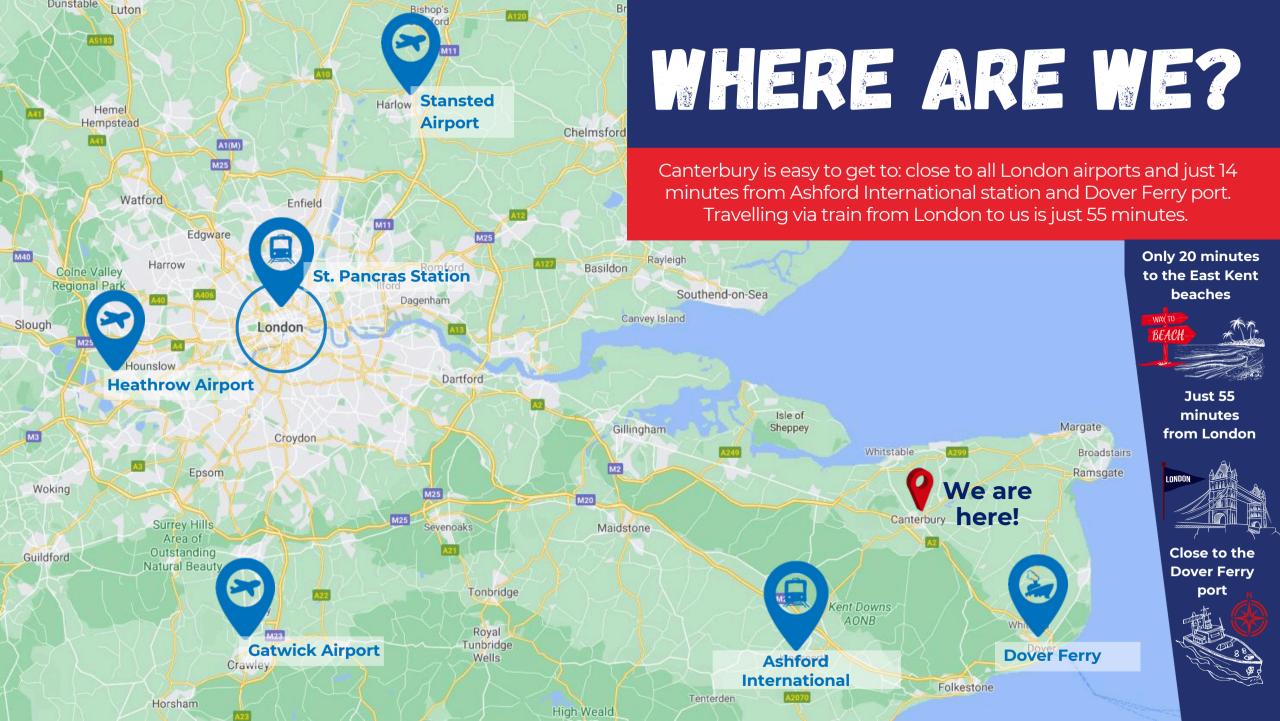

There is nowhere quite like Canterbury. Our medieval walled city has been hosting visitors for over 1,000 years, so a warm welcome for any 'pilgrim' is guaranteed.

This summer, embrace the floral displays and warm weather as you wind your way through our cobbled streets. Drink in the historic sights and shop at a huge mix of independent and high-street shops and cosy cafes.

What can we offer you?

- 1. Ancient Architecture: Canterbury boasts historical buildings that date back centuries. Notably, the Westgate Towers, England's largest medieval gateway, which stands as a testament to its rich past. The Eastbridge Hospital, with remarkable architecture from 1190 and the partially preserved St Augustine's Abbey (dating back to 613 AD) offer glimpses into the city's history.
- 2. Stunning Cathedral: Canterbury Cathedral is a must-see. With parts dating from the 11th century, it's an awe-inspiring structure with Norman, Romanesque and Gothic architecture. As the city's top visitor attraction, it's well worth exploring.
- **3. Shopping Experience:** While Canterbury is very charming, it also offers modern shopping. Whitefriars, an open-air shopping centre, features popular brands, while the King's Mile area hosts numerous independent businesses, including jewellers, cafes and artisan shops.
- **4. Arts and Culture:** The city celebrates the arts. The Marlowe Theatre, named after playwright Christopher Marlowe, hosts exciting shows, plays, and concerts.
- **5. Easy Access:** Less than an hour from London by high-speed rail, Canterbury is an ideal year-round destination. Explore cobbled streets, historic buildings, award-winning vineyards and ancient woodland as part of our special learning experience.

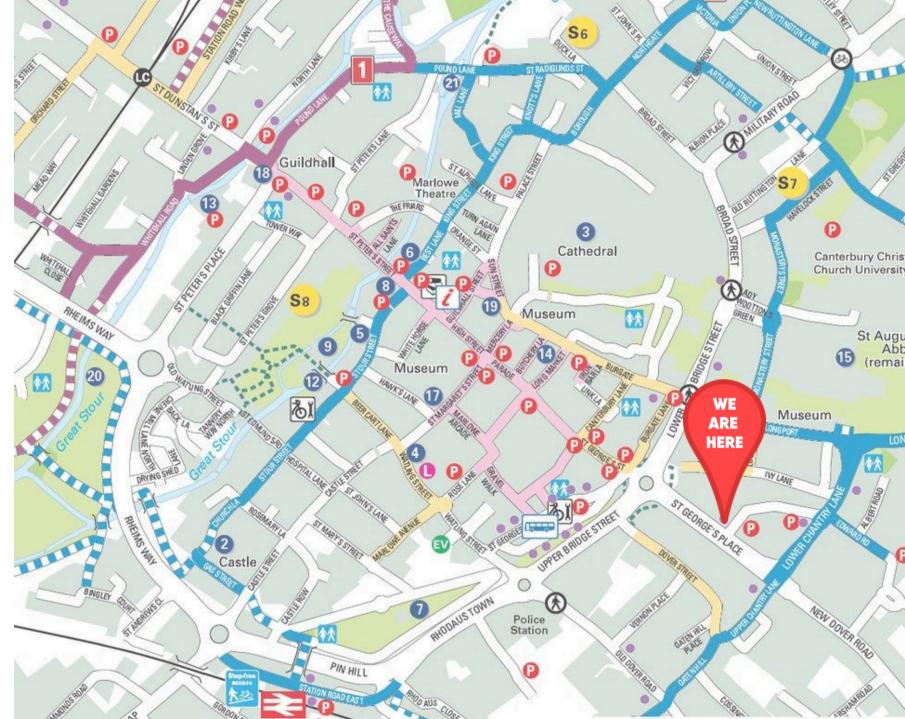

Canterbury is easy to get to.

It's close to all London airports and just 30 minutes from Ashford International train station and Dover ferry port.

Canterbury has two train stations and can be reached from London Victoria or St. Pancras International train stations.
