Terms & Conditions. Please read carefully:

- Students can be placed 2,3 or 4 per homestay accommodation depending on the size of the house, if you are happy for your child to share a room with a friend or another student.
- Your son/daughter will follow the homestay host rules and requirements. Any damages committed by a student must be paid for by that student in full.
- We work very closely with the hosts, and we take into consideration all the students' comments about them. We only move students if we feel the circumstances are right and in an emergency. Students or leaders cannot decide for themselves that they want to be re-housed before consulting our Accommodation Officer. In both Canterbury and Faversham, we have designated Welfare Officers who oversee any accommodation move and any welfare issues.
- **Under no circumstances, without the host's consent, must a student take photos inside the house and use this photo on social media, including Facebook, WhatsApp, Snapchat, Instagram, Twitter and any other application. This is a serious invasion of privacy.**
- LanguageUK are not liable for any videos or photos downloaded onto social media which may cause distress or any legal action. The students who take the videos are responsible and liable. Any students who are caught invading privacy will be expelled from the course.
- We, parents/guardians, understand the school reserves the right to terminate the course of any student who persistently breaks the rules and seriously misconducts himself/herself at the school or in the homestay. In such cases, there will be no refund of fees and we will be responsible for our child's return and all costs involved. Misconduct may include possession/consumption of illegal drugs/alcohol, intentional damage to the school or homestay property, repeated disturbance in class and at the homestay, repeated breaking of the rules, criminal activity and bullying.
- All students must attend all classes. LanguageUK has a strict attendance policy. Students can be absent when they are not well and, in such cases, the student must inform their group leader, who will then inform the school and the welfare department straight away so that a doctor's appointment can be booked if needed.
- Failure to sign and return this form back to the school, agent and LanguageUK when asked to do so, may result in problems with your booking.
- Please note there will be no move of homestay or classes once your child has been allocated.
- I, the student at LanguageUK, am fully and personally responsible for my own safety and actions while at LanguageUK and for the entire duration of my course at the school, and I acknowledge that I may be at risk of contracting COVID-19.
- I, the student at LanguageUK, agree to indemnify, defend, and hold harmless LanguageUK from any costs, expenses, damages, lawsuits and or liabilities or claims due to injury, loss or death related to COVID-19.
- By signing this consent, I acknowledge that I have read the foregoing Liability Release Waiver and understand its contents; that I am (18) years old and over, an individual student aged 16/17 whose parents or legal guardians are fully competent to give my consent; That I have been sufficiently informed of the risks involved and give my voluntary consent in signing it as my own free act and deed.
- This waiver will remain effective until laws and mandates relevant to COVID-19 are lifted.
