**Parents/Guardians/ students/homestay hosts.** All students attending Faversham as an individual student are only allowed out in the evening on the activities set by the school.

	All students must attend all classes. Languageuk has a strict attendance Policy. Students can be absent when they are not well and in such case the student must inform their group leader who will then inform the school and the welfare department straight away and a doctor's appointment can be booked if needed.
	We Under stand the school reserves the right to terminate the course of any student who persistently breaks the rules seriously mis-conducts himself/herself at the school or in the homestay. In such cases there will be no refund for fees and we will be responsible for our child's return and all costs. Misconduct may include: possession/consumption of illegal drugs/alcohol; intentional damage of the school or homestay property, repeated disturbance in class and at the homestay, repeated breaking of the rules, criminal activity and bullying.
	Our Child will follow the homestay host rules and requirements and will be responsible for any damage they may cause.
	We work very closely with the hosts and we take into account all the students comments about them. We only move students if we feel the circumstances are correct and in an emergency. Students or leaders cannot decide for themselves that they want to be re housed before consulting with the accommodation officer. In both Broadstairs and Faversham we have designated welfare officers who are in charge of any accommodation moving and any welfare issues.
	<b>Under no circumstances, without the host consent, must a student take photos inside the house and use this photos on social media including Facebook, Whatsapp, snapchat, Instagram, twitter and any other application. This is a serious invasion of privacy.</b>
